Tuesday, 03 March 2015 22:38

Community Church UU offers Bed and Breakfast in members' homes as a fundraiser for the church. Members provide bed, bath, breakfast, and information as requested about our wonderful city; in return we request generous donations to our church. For more information, e-mail ccuunola@gmail.com . Provide a phone number and the dates when you want to visit and we'll respond to discuss options which we hope will meet your needs.
